

Readiness Check – Analysis of optimization potential

The comprehensive Readiness Check offers expert consulting to assess the current state and future development plans of your shop. The purpose of this service is to identify optimization potential and provide actionable recommendations to enhance the performance and efficiency of your shop.

Key highlights of the Readiness Check service:

- Ecosystem analysis that evaluates the entire ecosystem surrounding your shop
- Assessment of compatibility, scalability, and efficiency of your ecosystem, identifying gaps
- Total Cost of Ownership analysis to assess your current technology usage and costs, identify potential savings
- Technical health check to identify potential vulnerabilities, performance lacks, and areas for improvement
- Optimization recommendations such as technology upgrades, process improvements, cost optimization, security measures, and scalability measures
- Support and guidance throughout the implementation process

Your investment:

- One day consulting with your personal expert

Ignite your shop's growth potential with our comprehensive Readiness Check.
